*Dr. Harvey Rones
938 Irving
Astoria, Ore.*

The most unhappy fisherman in Astoria - Larry Snyder. Just a hint Larry, paint the keel of your boat Pearl Pink.

Has everybody paid their '52 Dues, the Secretary-Treasurer has a worried look.

Notice by Dr. Rones - Eyes examined while you wait.

Until next issue - A cheerio to you

Jack

Sign in a Colorado restaurant: "If our steak is too tough for you, get out; this is no place for a weakling."

"Are you Fuller P. Adams?" asked the man near the coat rack.

"No," said the other man, surprised.

"Well, I am," came the frosty rejoinder, "And that's his overcoat you're putting on."

"Pardon me, does this car stop at Tenth Street?"

"Yes, watch me and get off one station before I do."

"Thank you."

"A psychologist is a man who when a beautiful girl enters the room, watches everybody else."
